WANTED TO SHOOT HIS MOTHER-IN-LAW

Seth Henly Charged With This Most Unnatural Desire.
Is Sent to Jail.

Before Saulo Lewis, of Henrico county, yesterday Seth Henly, a young married man, was fined \$20 and costs and required to give bond of \$100 to keep the peace. Henly was charged with shooting a pistol, threatening his wife and his mother-in-law, and being disorderly in the home of the latter. Mrs. Alice Parsons, of Chestnut Hill. The affair is alleged to have occurred on Monday night.

Mr. and Mrs. Henly have been married only two months, and according to the evidence she had left her husband on several occasions. The wife testified that on Sunday night there was a quarrel between her and her husband, after which she went to the home of her mother, Mrs. Parsons. She testified that Henly came there after his wife and demanded that he should see her, at the same time threatening to shoot his mother-in-law. She further said that he did shoot at her, and was prevented from doing her harm by Lewis Fox, another son-in-law.

Testimony was to the effect that the young man was addicted to the habit of drinking, and on that occasion was in a drunken condition. The pistol was produced in court, it having been taken away from the prisoner by a neighbor, who was called in to prevent further trouble. The pistol contained cartridges, as did the hip pocket of the young man, according to testimony.

Henly is confined in jail awaiting the procuring of bond.

Republicans Hold Harmonious Mass-Meeting—New City Committee.

MUST BE NO LAGGARDS

Mr. John L. Grubbs Accepts City Chairmanship With That Understanding.

The Republicans of the city of Richmond are very proud of their city mass convention, held last night at League Hall. According to the statement of many present, it was the largest, most representative and most harmonious gathering of Republicans held in this city for many years. The mass meeting elected fourteen delegates to the congressional convention in this city next week, chose a new city committee and made Mr. John L. Grubbs chairman of the city committee by acclamation.

In the absence of City Chairman Elliott, George St. Julien Stephens, negro, called the meeting to order, and announced that nominations for chairman of the meeting were in order. Mr. John H. Campbell was nominated for chairman and was chosen without opposition.

The chairman acknowledged the honor briefly and one or two brief talks had been made. Mr. Thomas F. Meany moved the appointment of a committee, consisting of two members from each ward, to recommend fourteen delegates to the district convention, and two members of the city committee from each precinct. The resolution was adopted and the chair named the committee, of which Mr. Meany was made chairman.

Delegates Are Chosen.

The committee made the following recommendations:

For delegates—John L. Grubbs, George St. Julien Stephens, George A. Hanson, Robert J. Taylor, John H. Ryall, A. C. Rockecharlie, C. B. Carey, Dr. R. E. Jones, W. J. Barnett, Peter B. Short, Edward Thompson, A. G. Forrester, H. J. Moore and John T. Anderson.

Henry Ward—Robert McCandless, W. E. Burwell, E. L. Starnard, George St. Julien Stephens, H. J. Moore and Dr. J. M. Benson.

Lee Ward—W. McKim Marriott, Asa Miller, W. H. James and J. G. West.

The report of the committee was adopted without dissent.

Elect Mr. Grubbs.

The election of a city chairman was declared next in order. Mr. John L. Grubbs was placed in nomination and seconded by several. There being no other nomination, Chairman Campbell was about to declare Mr. Grubbs chosen by acclamation, when he arose and addressed the chair. He admitted he had long had an ambition to be chairman, but was afraid he lacked the qualifications, and especially the financial qualifications desirable in a chairman. Nevertheless, if the meeting insisted he would accept the post with the understanding that there were to be no inquests in his office, and that he was to have the cordial co-operation of the committee and of the party.

His brief speech was warmly applauded, and some one moved that he be elected by a standing vote. The motion prevailed, and he was declared elected amid enthusiastic applause.

A. C. Rockecharlie and E. W. Brown were unanimously recommended as members of the State Central Committee of the party, and Dr. R. E. Jones was recommended to the district convention as member of the district committee.

Liquor Dealers' Association Adjourns After Gratifying Convention.

ENSUING YEAR'S OFFICERS

Election Shows But Few Changes in the Personnel—Portsmouth Next.

After one of the most harmonious and successful conventions in the history of the organization, the State Liquor Dealers' Association adjourned yesterday, to meet in Portsmouth next year.

The association convened at 10 o'clock in Sanger Hall, and the first business taken up was the adoption of the reports of the secretary and treasurer. These papers were both found to be perfectly correct. The auditing committee made its report, which was also adopted.

The election of officers for the ensuing year was quiet, and there are but few changes in the personnel. One of the features of the meeting was the adoption of a resolution allowing the cities of Richmond and Norfolk the privilege of two members on the executive committee.

The officers elected were the following: Officers—John A. Lesner, president; Norfolk; T. S. Fitzgibbon, vice-president; Norfolk; M. I. Hesser, second vice-president; Richmond; L. B. Hancock, secretary; Richmond; L. Lazarus, treasurer, Lynette.

Executive Committee—E. R. Woodward, chairman, Roanoke; W. H. Zimmerman, chairman, Richmond; C. E. Lefew, Richmond; J. T. Powers, Petersburg; W. J. Tyson, Charlottesville; F. A. Kearney, Phoebus; J. J. Fitzpatrick, Berkeley; E. E. Downham, Alexandria; J. J. McKeon, Newport News; J. T. Harman, Staunton; Norfolk; J. H. Hesser, second vice-president; Lynchburg; J. P. M. Joyce, Portsmouth; John Fawcett, Bedford City; William Danahue, Pocahontas; J. T. Prince, Norfolk; J. F. Cole, Covington; J. W. Gibson, Danville; John Moore, Manchester; T. McCracken, Fredericksburg.

The association was reported as having been established at Covington, with a good membership.

The general association is now said to be on a firm foundation and almost no money prevails. The organization has been reported to believe that they will accomplish more than they did last year, which was considered most successful.

Henry Ward—Robert McCandless, W. E. Burwell, E. L. Starnard, George St. Julien Stephens, H. J. Moore and Dr. J. M. Benson.

Monroe Ward—John L. Grubbs, Robert Booker, W. L. Griffin, W. G. Smith, Dr. R. E. Jones, John T. Anderson, P. B. Short and Edward Thompson.

ELLYSON IN SOUTHWEST

Goes to Aid Wisor in His Splendid and Effective Fight.

THINGS WILL HUM NOW

Campaign All Over State Promises to be Inaugurated To-morrow.

To-morrow promises to witness a general inauguration of the campaign by the Democratic party of this State for the election of ten congressmen and a large majority for Parker. Additional speakers are being enlisted every day, and they will begin on Monday in almost every county of the State, and certainly in all the contested districts where the opposition is formidable.

The chief contest in the State is that in the Ninth District, where Hon. Joseph C. Wisor is making a vigorous and effective campaign against Colonel Campbell, who is the Republican incumbent. Besides Mr. Wisor, many of the best known speakers in the party are being sent to the district. Hon. E. S. St. Clair has established district headquarters at Pulaski and directing the contest from that point.

State Chairman Ellyson left yesterday for Pulaski to confer with Mr. St. Clair and the committee and to keep in close touch with the situation. He will spend several days visiting the various counties and conferring with the local organization. Meanwhile the headquarters in this city is flooding the district with literature. Yesterday probably two hundred pounds of campaign literature was sent to the Ninth, the battleground.

Martin on the Stump.

Senator Thomas S. Martin has gone to Roanoke to attend the fair there, and will afterwards take the stump and make some speeches in the doubtful district or wherever needed.

Among the well known Democrats in the city yesterday and at headquarters was Hon. Robert G. Southall, of Amelia, just renominated for Congress in the Ninth District. He will visit this year, Hon. Charles G. Kiser, of Norfolk, ex-member of the House of Delegates, former chief of police, and now editor and publisher of the Norfolk Unionist; Mr. W. T. Anderson, a former postmaster and a prominent business man and Democrat of Norfolk; Mr. E. S. St. Clair, of Cumberland county; Congressman John Lamb and others visited the Democratic headquarters yesterday.

The Republicans have now nominated in all districts except the Third and Fourth, and one wing of the party has nominated the Third. The Rose will nominate next week, and the Fourth District October 11th. The list of Republican nominees follows: First District, Josephus "Trader" Second District, Robert M. Hughes; Third District, Edgar Allen, Jr., and another to be named; Fourth District, J. B. Sloyall, of Danville; Sixth District, S. H. Hoge, of Roanoke; Seventh District, C. M. Kezell, of Rockingham; Eighth District, A. J. H. Hoge, of Ninth District, Campbell Slomp; Tenth District, George A. Revercomb.

The matter provoked some discussion, as Mr. Mills desired that mechanical rather than electrical experts be provided as arbitrators in the agreement.

Mr. Pollard, in reply, made it very plain that it would be best for the city not to undertake to amend the agreement, and after a very forceful speech by him on this point, the committee voted unanimously.

The results of the tests made here by experts a year ago, showed the damage up to that time to be over \$170,000.

VIGOROUS FIGHT FOR CITY'S RIGHT

City Attorney Pollard to Press the Electrolysis Matter.

Perhaps the most interesting matter before the Water Committee last night was the resolution drawn and presented by City Attorney Pollard, and afterward adopted, calling upon the Council to authorize and direct that officer to proceed before the United States District Court to secure the execution of the agreement between the Water Committee and the two street railway companies here, providing for the arbitration of the amount of damage resulting to the city's water pipes from the rails of the companies through electrolysis.

Mr. Pollard asserted that the companies were now in the hands of receivers, and that only the court had authority to deal with the subject in its present status.

The matter provoked some discussion, as Mr. Mills desired that mechanical rather than electrical experts be provided as arbitrators in the agreement.

Mr. Pollard, in reply, made it very plain that it would be best for the city not to undertake to amend the agreement, and after a very forceful speech by him on this point, the committee voted unanimously.
